

The Garden Fair

A Muddy Boots Production • Sound Painting by [Tenali Hrenak](#)

Going where sneakers never will...

Overview

Welcome to *The Garden Fair*. The fresh wonders of Spring spring forth with an episode filled with a flowering mix of sound, snippet, and song. Come for the soundings and stay for the blossoms. Open the garden gate and—walla!

Notes

- ❖ Collage Art: [Fantastic Fungi by Maisie Kane](#)
- ❖ Film cut-up: The Secret Garden (1993) and other randoms and bits and pieces and things
- ❖ Mushrooms produce Vitamin D when exposed to ultraviolet light, but they don't need light to grow.
- ❖ If you enjoy the show, [Muddy Boots](#) could always use a [buck or two or twenty](#). Every little bit keeps this labor of love rolling on down the road. Regardless- thanks for listening!!
