

Whence Mountain & The Orbtones Reflect Sound Band

A Muddy Boots Production • Sound Painting by [Tenali Hrenak](#)

Going where sneakers never will...

Overview

Come one, come all... Let's explore the random galaxy of random sound, snippet, and song. We'll randomly celebrate randomness like a random meeting of random beings as random as being here now. See you on the other side...

Notes

- ❖ Collage Art: [Mountain Sound by Mariano Peccinetti](#)
- ❖ Those are my principles. If you don't like them, I have others. —Groucho Marx
- ❖ TV cut-up: Several (mostly) terrible Sci-Fi flicks from the 1960s
- ❖ I used to think I was indecisive. But now I'm not so sure.
- ❖ If you enjoy the show, [Muddy Boots](#) could always use a [buck or two or twenty](#). Every little bit keeps this labor of love rolling on down the road. Regardless- thanks for listening!!
